

- 40 years experience in France transports
- Personal contact with our multilingual dispatchers
- Well equipped trucks and well trained drivers
- GPS-tracking of trucks
- Express and special transports for trade fairs, festivals and constructions

Our website is available in German and English via the language selector.

Unser Webauftritt ist über den Sprachwähler in deutsch und englisch verfügbar.

We are an owner-managed family business for 40 years and can rightly call ourselves one of the pioneers and market leaders in French transport in southern Germany. Our customers include well-known manufacturers from the automotive industry, construction, mechanical engineering, trade fairs (exhibitors or constructions), retail and many more.

Do you value absolute reliability, punctuality and always a personal contact for your transport? We look forward to your inquiry!
