

Over 50 contracted carriers are working successfully for us

Full

utilisation of the tarpaulin trucks on a roundtrip basis

Your advantage with a fixed assignment!

- Dispatch of your trucks by our experienced team
- Large customer base with many direct customers
- Full utilization of the trucks (approx. 10,000-12,000 kilometers per month, depending of season)
- Fair and transparent billing
- Full and empty kilometers are paid equally
- Fast and regular freight payment (with a discount upon request)
- No bad debts: The risk of default is borne entirely by us
- Multilingual scheduling (German, English, French, Italian, Polish)
- Possibility to refuel the trucks on routes through Luxembourg/Belgium
- No contract deadlines

We are constantly expanding our fleet and are looking for reliable subcontractors.

Have we piqued your interest? Request further information now or contact us by phone or email!
